2017 AGM & "YOU" talk

29th July 10am - 2pm ish

Nurses Memorial Centre

Slater Street

St Kilda, Melbourne

We will be holding our AGM at the Nurses Memorial Centre again in Melbourne and thought perhaps we could sit around and discuss issues, anything you like i.e. relationships, sexuality, fashion, work, sport, diet !
Please come along on the day and chat with other ostomates.
You may be looking at having surgery in the future and of course you are more than welcome too.

We have loads of experience in our group and we are more than willing to share and of course learn from others.

Everyone is welcome, bring a family member/s or a friend if you like.

Photo Book

Please note, our YOU Inc Photo Book can be borrowed at any time by emailing Lilian at bluehawk2@bigpond.com
It is a really nice read of our very humble beginnings over 25 years ago, to where we are now !
