

YOU Inc AGM and

Guest Speaker - Dr Emma Flanagan

Dr Emma Flanagan is Gastroenterologist from St. Vincent's Hospital, Melbourne.
Her expertise is IBD associated with fertility/pregnancy

When: Saturday, 13th August 2022

AGM: 10.30am - 11.15am
Dr Emma Flanagan: 11.30am - 12.30pm

**Where: Nurses Memorial Centre
Slater Street (off St Kilda Road)
Melbourne Vic**

We have organised a wonderful opportunity for you to chat with Emma, ask questions and meet with other ostomates so please bring family or friends as everyone is welcome !

Her address will include the following topics related to fertility + question time:

- The impact on female fertility following a diagnosis of IBD particularly with the formation of a stoma and or a J Pouch and ongoing treatments.
- Is IVF successful following bowel surgery
- Is a caesarean section recommended after multiple surgeries and treatments for IBD
- Is male infertility increased following treatments and surgery for IBD

The Ostomy Companies will also be attending displaying their products !

RSVP - 10th August 2022 (for catering purposes)

helshae@hotmail.com or 04123144230 (leave a message)

Web address - www.youinc.org.au

Facebook - search Young Ostomates United Inc (we are a "closed group")

A light lunch will be provided and this meeting will be zoomed
